

TESTER'S MANUAL

In this manual TesterNow will teach you to search products to test them and make your time worthwhile to help in the best way you can to positionate them.

General rules

Before we began, we will explain variuos factors to take into account in regards to your tester tasks and your Amazon account:

- You must reside in Spain, Germany, France, Italy or the US.
- You must have an Amazon.es, Amazon.de, Amazon.fr, Amazon.it, Amazon.com or Amazon.mx account.
- Your account must exceed 50€ or \$50 of previous expenses (the date doesn't matter, they can be from 2 weeks or 2 years ago)
- You must comply with the set dates of product testing.
- Your Amazon account musn't have been blocked at any time.
- You can't do more than 2/3 weekly reviews.
- It's better if you have a profile picture so that latter clients take your comment into account.
- Before you buy a product, you must request it to TesterNow. If you make a payment without our previous approval we won't have any record of your purchase.

¿DO YOU MEET THE REQUIREMENT?

Subscribe through our website so we can register you and we'll send you a welcome e-mail.

Once you have received our welcome e-mail, you can start to request testing the product you desire. Contact us through e-mail or Telegram to make your request. The product catalog is always up to date on our website. We will set the purchase dates.

Take into account that if a product is requested by many testers, it is possible for us to run out of stock rapidly, in this cases we prioritize the order in which the request came thorough for the product.

complications. After finishing, **send us a screenshot that shows your order ID and the price** so we can register it.

6. Now comes the hard part, you need to wait a bit. The product will arrive to your home and for 10 days you can test the product as much as you want.

7. After the testing period is over, comes the moment of reviewing the product in the seller's page. Amazon will facilitate a button from the order itself so you can easily make it. Add a picture and write your opinion (the more positive the better). After that, it's possible for Amazon to take 24/48h to publish your review, but you don't need to worry.

8. As soon as your review is published, **copy the review's direct URL** (you can do it going to your public profile and clicking you public review) and **send it to us**. When we receive it we'll manage the refund and you'll be able to enjoy your product forever.
